Dear Resident

RE: Temporary Relocatable Classroom (RL) at Braiswick Primary School, Apprentice Drive, Colchester, CO4 5SE

Essex County Council (ECC) are proposing to provide a temporary relocatable classroom at Braiswick Primary School to support an increased pupil intake within the borough for a period of two years.

The proposal is for the provision of a relocatable teaching unit containing a single classroom and toilet facilities.

We would like to invite you to an online exhibition to review the latest draft proposal online and to have your say before the proposals are completed for submission to the County Planning Authority as a full planning application. Comment forms are available online and we would be grateful if you could take your time to complete this so that we can capture and consider the views prior to the submission of the planning application.

The online exhibition will be available from **Thursday 26th November 2020 to Thursday 10th December 2020** and can be viewed at either:

<https://consultations.essex.gov.uk/infrastructure-delivery/braiswick-primary-school-rl-consultation>

or,

<https://consultations.essex.gov.uk>

Please note that the consultation documents will be unavailable until the 26th November.

We will consider all comments received prior to submitting a detailed planning application to the County Planning Authority. A summary of the pre-application consultation responses will also accompany the submitted planning application.

We hope that you will be able to take the opportunity to view the draft plans and to have your say online. A feedback questionnaire will be available online. Following this consultation, all relevant comments and feedback will be reviewed and incorporated into the planning documentation.

We hope that you will review the proposal and plans and leave your feedback online.

If you have any questions in the meantime, then please contact claire.hayden@essex.gov.uk

Yours faithfully
