Dear Resident,

Invitation to participate in a consultation relating to the proposed new primary school associated with the Beaulieu Park housing development.

Essex County Council, as the Education Authority, proposes to build a new 2 form entry (420 pupils) primary school. This project will provide brand new accommodation and facilities for children and pupils and provide a stimulating educational environment for all users. The project design team has been developing a proposal that would meet educational needs and fits well on the school site.

We would like to invite you to an online exhibition to see the outline proposals and to have your say before the proposals are completed for submission to the County Planning Authority as a full planning application. There will be comment forms on the website that we would ask are completed so that we can capture and consider the views prior to the submission of the planning application.

The online exhibition will be available from the 24th October to the 7th November 2022 and can be found at the following links:

A summary of the pre-application consultation responses will also accompany the submitted planning application.

If you have questions in the meantime, or are unable to visit the website and would like more information, please do not hesitate to contact the Project Sponsor as per the details below.

Yours faithfully,

A handwritten signature in black ink that reads "Bryony Dick".
