9th August 2023

Dear Resident,

Invitation to participate in a consultation relating to the proposed new teaching building and associated works following refurbishment of the existing school to provide dedicated SEN (Special Educational Needs) space at Great Easton Church of England Primary School

Essex County Council, as the Education Authority, proposes to build a new classroom and to remodel an existing classroom to provide a new dedicated space to enhance the support of children at the school with SEN needs. This project will provide a brand new infant classroom and enhanced multiuse facilities for all pupils and provide a stimulating educational environment for all users. The project design team has been developing a proposal that would meet educational needs and fits well on the school site.

We would like to invite you to an online exhibition to see the outline proposals and to have your say before the proposals are completed for submission to the County Planning Authority as a full planning application. There will be comment forms on the website that we would ask are completed so that we can capture and consider the views prior to the submission of the planning application.

The online exhibition will be available from the 14th August to the 28th August 2023 and can be found at the following links which will only work during this time.

<https://consultations.essex.gov.uk/>

A summary of the pre-application consultation responses will also accompany the submitted planning application.

If you have questions in the meantime, or are unable to visit the website and would like more information, please do not hesitate to contact the Project Sponsor as per the details below.

Yours faithfully,

A handwritten signature in black ink that reads "A. J. Laycock".
