Dear Resident,

Invitation to review an Online Public Exhibition relating to the proposed school expansion buildings at Trinity Road Primary

Essex County Council (ECC) proposes to build a replacement dining hall and kitchen with 2 new classrooms with ancillary accommodation as a single storey building, predominantly in the same position as the existing building being replaced at the front of the main building. The ECC project design team has been working with the Trinity Road Primary school to develop a proposal that would meet the school's educational need and fits well on the site.

We would like to invite you to an online exhibition to review the latest draft proposals online and to have your say before the proposals are completed for submission to the County Planning Authority as a full planning application. Comment forms are available online and we would be grateful if you could take your time to complete this so that we can capture and consider the views prior to the submission of the planning application.

The online exhibition will be available from **Friday 7th May 2021 to Friday 21st May 2021** and can be viewed at either:

<https://consultations.essex.gov.uk/infrastructure-delivery/consultation-for-trinity-road-primary-s>

or,

<https://consultations.essex.gov.uk>

Please note that the consultation documents will be unavailable **until** the 7th May 2021.

We will consider all comments received prior to submitting a detailed planning application to the County Planning Authority. A summary of the pre-application consultation responses will also accompany the submitted planning application.

We hope that you will be able to take the opportunity to view the draft plans and to have your say online. If you have questions in the meantime, or are unable to visit the website and would like more information, please do not hesitate to contact the Project Sponsor at the email address below.

Yours faithfully,

Amanda Laycock, Project Sponsor
