

Essex County Council
Infrastructure Delivery
County Hall, Market Road
Chelmsford
Essex CM1 1QH

25th March 2024

Dear Resident,

Invitation to participate in a consultation relating to the proposed new teaching block, kitchen expansion and additional car park works associated with Cressing Primary School.

Essex County Council, as the Education Authority, proposes to build a new teaching block, expand the existing kitchen and carry out car parking works at the existing school. This project will provide brand new learning accommodation and provide a stimulating educational environment for all users. The project design team has been developing a proposal that would meet educational needs and fits well on the school site.

We would like to invite you to an online exhibition to see the outline proposals and to have your say before the proposals are completed for submission to the County Planning Authority as a planning application. There will be comment forms on the website that we would ask are completed so that we can capture and consider the views prior to the submission of the planning application.

The online exhibition will be available from the 8th April 2024 to the 22nd April 2024 and can be found at the following links:

<https://consultations.essex.gov.uk/infrastructure-delivery/cressing-primary-school-expansion>

<https://consultations.essex.gov.uk/>

A summary of the pre-application consultation responses will also accompany the submitted planning application.

If you have questions in the meantime, or are unable to visit the website and would like more information, please do not hesitate to contact the Project Sponsor as per the details below.

Yours faithfully,

A handwritten signature in black ink, appearing to read "Greg Barsby".
