

**Essex Coast Recreational disturbance Avoidance and Mitigation Strategy
(RAMS) Draft Supplementary Planning Document**

Planning and Compulsory Purchase Act 2004

**The Town and Country Planning (Local Planning) (England) Regulations 2012
(as amended)**

STATEMENT OF REPRESENTATIONS

The Essex Coast RAMS authorities¹ have published the **Essex Coast Recreational disturbance Avoidance and Mitigation Strategy Draft Supplementary Planning Document** for a six-week period of consultation from 10th January – 5pm on 21st February 2020. The document is now subject to public consultation.

Title of Document: Essex Coast Recreational disturbance Avoidance and Mitigation Strategy (Essex Coast RAMS) Draft Supplementary Planning Document (Essex Coast RAMS Draft SPD).

Subject Matter: The Essex Coast RAMS Draft SPD has been developed by a partnership made up of the Essex Coast RAMS authorities, Essex County Council and Natural England. The RAMS provides a strategy for mitigating the impact of recreational disturbance on protected Habitat Sites resulting from new residential developments. This mitigation is funded by contributions from all new qualifying residential dwellings built within the 'zone of influence' of each habitats site.

Further to the above, Bird Aware Essex Coast is an initiative run by the Essex Coast RAMS, which seeks to raise awareness of the birds that feed and breed on the Essex Coast, so that people can enjoy the coast and its wildlife without disturbing the birds.

A Supplementary Planning Document (SPD) has been prepared to provide applicants and developers with guidance on how the Essex Coast RAMS affects them and their development. In particular, the SPD would provide information on what mitigation is needed and how this will be funded through the planning system. Bird Aware Essex Coast will be one of the main methods for delivering mitigation measures.

Area covered: The Essex Coast Recreational disturbance Avoidance and Mitigation Strategy (RAMS) Draft SPD covers the administrative areas of the 12 local authorities in the Essex Coast RAMS partnership.

Period of publication: 10th January 2020 – 5pm on 21st February 2020.
